Remarks

Idyllic Country Retreat on 10 Acres with Stunning Views Nestled on 10 picturesque acres, this charming home offers breathtaking, unobstructed views and a serene, peaceful setting. Enjoy frequent visits from deer, which can often be spotted lounging under mature trees in the middle of the property, creating a tranquil, nature-filled escape. A peaceful creek runs through the property, further enhancing the beauty and privacy of this idyllic retreat. As you enter, you're welcomed by a spacious foyer with a coat closet and an oversized storage closet, providing plenty of room to organize winter coats, boots, snow gear, and more. The foyer also leads to the 2.5-car garage, offering convenience and easy access to outdoor activities. Beyond the entryway, a second foyer has been thoughtfully converted into a mudroom and laundry space helping keep dirt and grass from being tracked through the house. This delightful 3-bedroom, 2-bathroom home (with the potential for a 4th bedroom in the basement) boasts a cozy family room with a gas fireplace and vaulted ceilings, offering an inviting space for relaxation and gatherings. The adjacent dining room opens to one of two decks that overlook the lush, sprawling property perfect for alfresco dining or simply enjoying the views. A lovely pond.
